CC Rider Route Adjustments OPEN HOUSE

CC Rider is considering adjusting service on several of its fixed-routes. To better plan for the future, we are hosting four open house sessions to hear from transit users and service providers.

Please attend one of these events to learn what is under consideration and give us your thoughts and recommendations.

Route under consideration for changes include:

- Line 1 – Downtown Portland
- Line 2 – PCC Rock Creek
- Line 3 – South County Flex
- Line 4 – Clatskanie
- Line 5 – Kelso.

Your input is valuable to CC Rider as we try to best meet the needs of Columbia County Transit users, while simultaneously keeping our costs within our yearly budget.
